5:30pm – Teaching Lab 3 – Thursday September 25th 2008
Compiled By: Liz Legere

Roll Call:

Sandy Chatman
Liam Spencer
Kat Magee
John Doucette
Karen Thorsen
Liz Legere
Scott Perry
Vidhya
Stewart Rand

Absent with Regrets:

Andrew Aikens

Meeting called to order at 5:30pm by president, John Doucette.

- 1) Minutes
 - 1.) Adopted

- 2) Snowball
 - 1.) Have gotten a contract, Snowball will be happening on November 14th 2008

- 3) Money Gone
 - 1.) The Cage was broken into and the cash box was taken this past Tuesday
 - 2.) We lost approximately \$200
 - 3.) We have money already allocated to change the locks for the cage

- 4) Friday Fun
 - 1.) Tomorrow at 4pm there is a party in the atrium with free pizza and pop
 - 2.) John will talk to first year class about this
 - 3.) Need a few of us to come early (3:30pm) and set up the atrium geekbeer style

- 5) Reports
 - 1.) Secretary – Liz Legere
 - a) Will send out an email tonight asking for nominations for the Snowball Awards, nomination period will go until November 1st
 - b) The NDP are looking for students to work for them as Data Entry processors, it would require a few hours a day work at their office on the corner of Robie and Young St.
 - c) A rep from AboutImagePhotography would like to know if the graduating computer science class would like them to do the graduation photo's this year. They provide hoodies and gowns and they book a room at Dalhousie to take the photos. I will call her back to get an estimate and update at next meeting.

d) I am going to be working on the November issue of the CS newsletter and if anyone would like to submit a column please email it to me or drop it off at the CS Desk.

2.) President – John Doucette

- a) Was contacted yesterday about the Fun Friday and have worked that out
- b) Talked with Stewart about how the DSU works

3.) Senior Undergraduate Rep – Kat Magee

- a) Will send out email about interest in events

4.) VP External/Athletics Rep – Liam Spencer

- a) Went to Faculty Council Meeting
 - 1) added 2 new majors to Bachelor of Informatics Program
 - a) Environmental Sustainability
 - b) Management
 - 2) Changed 4 pre-requisites
 - a) Java 2 now requires either Java 1 or 1st year Bimf
 - b) Networks now requires Java 3, Stats 2060, Binf 2600
 - c) CSCI 3140 no longer requires OS
 - d) CSCI 3136 can have Binf 2600 stand in for CSCI 2112
 - i) Liam Abstained from this
 - 3) Enrolment frozen for Bio-Informatics
 - 4) Added a minor to Environmental Sustainability to Bachelor of Computer

Science and Computer Science Honours

5.) Graduate Rep – Scott Perry

- 1.) Looked into DJ for Snowball issue
 - a. If it is a one time thing Avla can let us do it ourselves for \$50 + tax
 - b. Looking into Socan Terms (Covered by Venue?)
 - c. Went to Faculty Council Meeting
 - d. Working on Transition

6.) Society Desk Manager – Vidhya

- 1.) Made \$38.50 this past week
- 2.) Sold 23 items
- 3.) Still haven't gotten a new computer
- 4.) Going to get candy this weekend

7.) Stewart Rand

- 1.) Went to DSU meeting, not much important relating to CSS

8.) Junior Undergraduate Rep – Karen Thorsen

- 1.) Nothing to Report

9.) Co-op Rep – Sandy Chatman

- 1.) Went to Co-op meetings
- 2.) Co-op wants to talk with Informatics Students
- 3.) Deadline coming up mid October
- 4.) Need to get contact with 1st year students

5.) Getting a list of email addresses for co-op students

6) Other

1.) Vidhya suggests a multicultural evening/geekbeer event like Bollywood was last year in October

2.) Halloween geekbeer suggested

Meeting adjourned at 6:10pm
